Product Description

Product description:

The simulated peonies and silk roses are designed with freshness and simplicity in mind, injecting an atmosphere of love into the home space. Whether it is a romantic atmosphere made for love or a fresh style of simple home, you can find the right design to add color to your life.

This rose silk peony interior decoration not only adds fun and joy to life, but also injects a different kind of charm into the home space.

Feature of product:

Unique roses and peonies are intertwined to create a unique interior decoration style. Each flower is full of vitality, filling the space with life.

Product process:

Made with exquisite craftsmanship, it has a high degree of simulation and a comfortable touch. The layering and detailed expression of the petals make the overall effect more realistic.

Customized services:

To meet different decoration needs, we provide customized services. Customers can choose the colour, quantity and layout of flowers to create their own unique floral decoration.

Name	Three-head rose bouquet, peony bouquet
Color	Various options, light pink, champagne, light pink, pink, blue, white
Material	silk cloth (wire built into the pole, height adjustable)
Usage	dining table, living room, bedroom, desk, coffee shop, etc.
Note	Parameters are measured manually and there may be slight errors!

1. Environmentally friendly printing and dyeing

The flowers are made of high-quality silk cloth, environmentally friendly printing and dyeing technology, high color fastness and not easy to fade.

2. Delicate stems and leaves

The texture and color of the stems and leaves are realistic, with outstanding texture, high degree of simulation and exquisite craftsmanship.
